Restaurant & Bars Design Awards

## Best Bar in America: 8 Street Brickell ( Miami, United States ), designed by Bigtime Design Studios

“ **Here we honor what was, what is and what will be.** It is our little corner, our music venues, our nod to a secret society where clandestine bars celebrate their creativity, their good humor and their eccentricities, "as described from **Bigtime Design Studios** to which it has been made with the title of best bar in America: **8 Street Brickell.**

“ In every detail, you will see a kind of **modern sophistication** that it is neither too suffocating nor frivolously ornamented, leaving an impression that will last far beyond your Moscow Mule ”, they continue to say. Inside they stand out **warm materials such as wood and a very high ceiling of six meters.**

“ Our intention was to design **a space where locals feel welcome and tourists discover ”**, they conclude.
