About YLG's "15 For 15" Series

Quick. Informative. Impactful. The ULI Young Leaders "15 for 15" series is a new, short-form program designed to cut to the chase and give our members actionable insights from leaders on timely and essential topics. We will select one subject and two leaders to participate in separate one-on-one, 15-minute interviews. No matter who's in the hot seat, you will always come away with three takeaways on the issue at hand:

- How is this impacting the real estate industry right now?
- What does this mean going forward?
- How must ULI professionals shift their thinking to evolve, innovate or conquer?
